## 4. Steps before Arrival

### Visa

As soon as you receive an admission letter from the University of Kassel, apply for a visa from the German embassy or consulate in your home country or country of residence. The addresses of German embassies and consulates and information regarding entry requirements can be found on the website of the German Foreign Office. There, you will also find information on the specific requirements for obtaining visa on a country-by-country basis. **Once you have started the visa process, please keep the REMENA team updated on your progress.**

### Accommodation

Whether you would like to stay in a student hall of residence or in a shared apartment on the private market, affordable accommodation in Kassel is available for those who start searching early. Those who start late will find it difficult to find affordable accommodation. It can often take weeks to find accommodation; therefore, we advise you to start searching as soon as possible.

**We strongly advise you to arrange for temporary accommodation (1–2 weeks) before you arrive in Germany!**

**You can find affordable private accommodation, hotel or hostel rooms in Kassel on the following websites:**

<https://www.airbnb.de/>

<https://www.booking.com/>

<http://www.homestaybooking.com/>

- **Student Halls**

As soon as you start your preparations for your semester in Germany, please apply for accommodation in one of the student halls offered by the University of Kassel. This can be done online and only takes a few minutes.

<https://www.studierendenwerk-kassel.de/index.php?id=591&L=1>

- **Private and Shared Apartments**

If you prefer to share a private apartment with others or even live on your own, you can start looking for this kind of accommodation after you have arrived in Kassel, since potential landlords and roommates usually prefer to meet new tenants in person before signing a contract. Available rooms and apartments are listed on the following websites:

Payment of this fee is necessary to ensure your enrolment at the University of Kassel and to officially maintain your student status for Germany. Details can be found on the following website:

<https://www.uni-kassel.de/uni/en/international-service/coming-to-kassel/studying-in-kassel/during-studies/semester-fee>

In addition, you have to pay for rent, insurance, food, clothes, books, entertainment, and travel. With about 1000 € per month, you can live comfortably in Kassel and will still have money left to go to a bar or the movies. There are a number of tips for saving costs when living in Kassel. These include:

- Borrow your books for class from the library and/or copy them at a copy shop;
- Shop at low-cost grocery stores or in second hand shops;
- Go to the movies on *Kino-Tag* (usually Monday or Tuesday);
- If you live with others, see if they want to buy big items: microwave, printer, TV, etc. together;
- Show your student ID and you may receive student discounts in museums or recreational facilities.

## **5. Steps on Arrival**

**IMPORTANT: Please read the following instructions carefully and make sure to complete the indicated steps in the precise order in which they are listed below to avoid unnecessary delays or complications!**

## Getting here

How do I get to the university? Where can I catch the tram? Where can I park? And where can I find the Admissions Office or the International Office? Directions and maps of our campuses make getting around a lot easier. Find them on this website: <https://www.uni-kassel.de/uni/en/international-service/coming-to-kassel/welcome-centre/first-steps/>

## STEP 1: RESIDENCE REGISTRATION

As legally required you must go to the Residence Registration Office (*Bürgeramt*) in the Town Hall (*Rathaus*) and let them know your address in Kassel. This must be done within one month after your arrival in Kassel. You simply go in, receive a number from the information desk, and, when your number is called, you fill in the form with the help of a person who works there.

### **Address and office hours:**

#### ***Residence Registration Office at the City Hall:***

You will be given a copy of this form. You will need this form to get your residency permit, to open a bank account, to get a library card, etc. If you move to another apartment in Kassel during your studies, you need to tell the Residence Registration Office your new address.

## STEP 2: OPENING A BANK ACCOUNT

**Address and opening hours:**

Fri 09:00 – 14:00

In order to pay bills or your rent, you will need an account with one of the German banks. After you have opened your bank account (also called *Girokonto*) you will receive a bank card. You will be able to use this card as a method of payment in the majority of shops or alternatively use it to draw money from ATMs. Most importantly, your German health insurance fees will be charged from that account, so make

sure to open one **before** you apply for German health insurance.

## STEP 3: APPLYING FOR HEALTH INSURANCE

As a student at a German University, you have to provide proof of a valid health insurance. There are two ways to do this:

- Insurance via **MAWISTA**: You can take out a health insurance before your arrival in Germany. Go to <https://www.mawista.com/> for an overview of insurance packages and prices.

- Insurance via **AOK**: AOK is a German health care provider. Please go to their office in person and take your student ID as well as your bank account number and residence registration paper with you.

Fri 09:00 – 13:00

**PLEASE NOTE:** Even if you have already taken out insurance with MAWISTA, you need to visit the AOK office upon your arrival in Kassel and present them with your MAWISTA contract documents. AOK will then issue a document called *“Befreiung von der Versicherungspflicht”* which proves that you are already in possession of valid, appropriate health insurance.

If you take out insurance with AOK, you will receive an insurance card as pictured below. Please don't forget to take it with you in case you need to see a doctor in Kassel.

The card functions as your student ID, public transportation ticket, library card and lets you use the copying machines on campus

It is mandatory for all students to register for exams within the given time frame. Not registering could lead to you not being allowed to take the exam. Please view the following step-by-step guide on how to register for exams in our

## 10. Partial Semester Fee Refund

Should students not be in Kassel during the duration of the semester there is the option of applying for a refund on behalf of the students. For AStA to refund the ticket, students cannot be living in the Kassel area. However, AStA will only make transfers to German bank accounts. Please notify the REMENA Team by April 15th at the very latest, then we will apply for the refund. The refund will amount to 153,11€ of the 309,65€ semester fees. Any students already in possession of their CampusCard, who are leaving Germany for summer term 2024 are kindly asked to leave their cards with us, as this simplifies the procedure.
